

Aluminum Seminar

A collision repair industry event co-hosted by
the Nashville I-CAR Committee & Tennessee Collision Repairers Association

SATURDAY, JULY 19th

**Tennessee Colleges of Applied Technology/TCAT
100 White Bridge Road/Pike in Nashville**

(Going east on I-40, take exit 204B for TN 155 S/Robertson Ave. toward White Bridge Rd./Pk)

Schedule

☺ **SEGMENT ONE — 8:00 am — I-CAR Class**

FOR-06 2015—Ford F-150 Structural Repair Training Course

6 credit hours — This course meets the training requirements for Estimator, Steel Structural Technician, Aluminum Structural, and Auto Physical Damage Appraiser.

PLEASE REGISTER FOR THIS CLASS by 7/15/14

www.i-car.com or call the I-CAR Training Support Center at 800-422-7872

☺ **SEGMENT TWO — Noon to 4:30 pm— There is no charge to attend**

This segment is for anyone in the industry interested in learning about aluminum vehicles and repair!

If you are not taking the I-CAR class, you must register separately on-line to attend the lunch and workshop. (You do not need to register for this portion if you are already signed up for the I-CAR class.)

PLEASE REGISTER TO ATTEND the LUNCH & WORKSHOP by 7/15/14

Register on-line with the following link: [ALUMINUM SEMINAR](#)

or go to the link on www.mytcra.com

LUNCH & SPEAKER—Get the latest aluminum news! Industry sponsors are providing a grilled lunch. John Sotto, I-CAR instructor and Ford F150 expert from 3M, will give a relevant presentation during lunch.

WORKSHOP—See the latest aluminum repair equipment! Equipment vendors in Tennessee are providing attendees with an opportunity to see the latest equipment required for aluminum repair up close in a working environment. TCRA members and those taking the I-CAR FOR-06 class will have a VIP hands on opportunity to use the equipment!

**REGISTER NOW!
Space is limited!
Don't be left out!**

See a new 2015 Ford F-150 at this event!
